

Exclusive Invitation

AV-ICN
EXPO

28-30
MAY 2026
BEC, MUMBAI

Innovation Meets Opportunity

Step into the epicentre of India's Pro Audio, Pro AV & Entertainment Lighting Revolution.

PALM AV-ICN Expo 2026 returns as India's most focused and business-driven platform for next-generation technology solutions — bringing together global brands, disruptive innovations, and the industry's most influential decision-makers under one roof.

Discover What's Next

Experience breakthrough innovations in Professional Audio, AV Integration, Smart Collaboration, Immersive Lighting & Future-Ready Technologies.

Connect with the Right People

Meet Manufacturers, Global Brands, Exclusive Distributors, AV Consultants, System Integrators & Corporate Solution Providers driving India's technology transformation.

Turn Conversations into Collaborations

Every demo is a live experience. Every handshake is a business opportunity. Every visit unlocks new project possibilities.

Why You Should Attend PALM

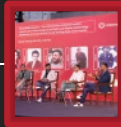

Experience Cutting-Edge Technology

Immerse yourself in world-class sound and lighting experiences at the Harman Live Arena.

Learn from Industry Leaders

Attend knowledge-driven power-packed sessions curated by industry experts discussing latest trends in professional audio, lighting, and AV technology.

Make Informed Purchasing Decisions

Test and evaluate top-tier sound systems and line arrays through live performances at the outdoor Demo Cubes.

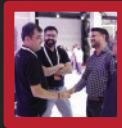

Master Lighting Design

Learn the fundamentals of lighting and design control at the Lighting Design Showcase.

Get Hands-On Training

Gain practical experience at the Live Rigging & Trussing Workshop with expert guidance.

Build Strategic Partnerships

Meet potential collaborators, suppliers, and clients to expand your business network and create new opportunities.

Compare Solutions Side-by-Side

Evaluate multiple brands and technologies in one location to make the best choices for your projects.

Earn Professional Development Credits

Participate in certified training sessions that contribute to your professional qualifications and career advancement.
