DESTINATION FOR GLOBAL BRANDS

Key factor for exhibiting at PALM Expo is - Adoption by critically knowledgeable talent in India of latest innovation in sound reinforcement, sound recording and postproduction, sets the trend for what technology works for the burgeoning Indian market. Reverberations are global as Indian talent set the technology trend in global shows and studios and postproduction worldwide.

Thus, global brands need to prove their technology in the most robust market globally-India. International brands can no longer afford to ignore PALM as a leading show worldwide influencing technology, demand, and consumption.

23,000 professional buyers visited PALM, AV-ICN, LIGHTING expo through three days. Satiating their demand to satisfy consumption of the latest equipment and sound gear for an exploding marketplace that boasts of affordability and exploiting latest technology and innovation.

Professional to the Core and Delivering Business is the PALM mantra.
Book your space now to ensure your brand penetration and distribution in India.

HIGHLY DEFINED EXHIBIT DISPLAY

PALM's well-defined Halls of Pro Audio, Lighting, and Pro AV allow your product category to be located preferably. Attracting the correct buyer.

There are three dedicated halls with 29,000 sqm of exhibit area for pro audio, pro AV, and lighting, displaying over 500 brands and thousand+ products incorporating every application and engineering.

PROVEN TECHNOLOGY PRODUCT

PALM's focus is on developing the Indian market in providing emphasis on standards and specs, best practices, and professional selection of product technology. The pro audio and sound rental industry source their product at PALM with a confidence. It is the reason, the distribution and dealer network from across India is present year after year at PALM.

The PALM Conference at the PALM Expo over three days, offers a seminar program for intensive presentation of product technology. PALM Conference is India's leading conference on pro audio, stage sound and lighting, boasting of industry leaders as key speakers on important topics providing future direction to sound and light industry. PALM Expo Magazine is the voice of the industry and their source for new technology and trends.

PALM THROUGH THE YEARS

VISITOR PROFILE

PALM welcomes 23,000+ unique trade visitors during the three days of the show. The show each year identifies the potential of the industry by bridging the interest, expertise & innovations that the sound, light & AV technology has to offer. The well appreciated professional environment and a strict no-sound policy by exhibitors & visitors indicates the international business atmosphere of PALM Expo, hence making it a must attend sourcing & networking platform.

SUCCESS STORIES

//

PALM Expo 2023, like previous editions, maintains impeccable professionalism. It outshines all industry events as a prime stage for us to exhibit our cutting-edge solutions to the sound industry. Ideal for showcasing our latest products!

- Rohit Tahlani, Ahuja Radios

//

With global partners, we unveiled innovations on this esteemed platform - PALM Expo 2023. Networking exceeded expectations, fueling Alphatec's growth and partnerships. Grateful for an exceptional launch facilitated by PALM Expo. Anticipating fruitful collaborations ahead.

- Devasis Barkataki, Alphatec Audio Video

//

The glory of PALM never fails to surprise us. Over 30 years in the industry, PALM remains our invaluable hub for audio excellence, connection, and passion. Once again, flawlessly organized, PALM transcends mere Expo status into an immersive experience.

- Leslie Lean, Ansata Computer Systems

//

As A-Plus, I proudly stand at PALM Expo. We have seen exceptional experiences this year and prior, yet this post-Covid year shines promisingly. Eager for industry growth and collective prosperity. Sharing gratitude and anticipation for our journey together. Thank you!

- Yogesh Mehndiratta, A-Plus

//

AV-ICN Expo sees impressive footfall, hinting at a potential customer surge. Numerous queries were received at the Expo this year and post-event follow-up was also planned. I am eager to express interest in participation.

- Pankaj Sinha, Avientek Electronics Trading

//

A heartfelt thank you to you and your team for the incredible PALM Expo exhibition, praised by staff, clients, and visitors as our best show yet. We could see abundant leads and promising discussions, some on the verge of fruition. Thrilled for next year's participation and wishing you continued success.

- Manoj Lobo, Canara Lighting Industries

//

Grateful for this wonderful exhibition and the amazing attendees. We proudly explained our product, hoping for equally positive outcomes. This marks our second participation. Many thanks once more and wishing everyone a successful exhibition.

- Dylan Bomgardner, Claypaky

//

AV-ICN offers an excellent platform for India's Pro AV sector, and we're thrilled to be part of it. Epson showcased high-brightness projectors for immersive displays, 3D projection mapping, and the transition from standard to hybrid meeting rooms, well received by AV SI's, rental partners, and staging experts.

- Arbaaz Khan, Epson India

//

Excellent response and a great event always deliver high calibre leads precisely from the industry. We'll definitely exhibit again & would recommend everyone here. Great support from the organizers.

- Manmeet Singh, EverGlow LED

“

As a participant in PALM AV-ICN Expo, India's premier event for professional sound, light, and system integration, we've witnessed its evolution into an informative, authoritative platform for idea exchange, knowledge sharing, and vibrant networking. We wish to continue support and participation.

- Prashant Govindan, Generation AV (India)

“

The footfall was better than last year, and we saw higher levels of engagement as well, from end-users and distributors alike. The highlights for us were launching one of our headliners and conducting a lighting workshop for Martin lights, at HARMAN Live Arena. We're certainly looking forward to the next one.

- Vinayak Kamath, Harman International India

“

PALM Expo proved to be a dynamic platform for business opportunities. Connecting with professionals & potential prospects was rewarding. Engaging discussions with industry peers inspired fresh ideas at the expo. Eagerly anticipating 2024 with renewed enthusiasm and expanded product lines.

- Rajan Gupta, Hi-Tech Audio & Image

“

A fantastic show with numerous visitors, inquiries, and successful sales. Kudos to the PALM Expo team for a job well done. We look forward to meet everyone again in 2024.

- Rasesh Parekh, Integrated Entertainment Solutions

“

PALM Show 2023 is exceptional, yielding a fantastic response. The crowd is a cream-of-the-crop assembly of professionals.

- Anil Makhani, MX-MDR Technologies

“

At AV-ICN Expo, visitors are enthusiastic about our Products & Solutions, seeking trendy offerings showcased. I am impressed by the caliber of inquiries received over three days, capturing great leads. Organizer support is superb, and the event consistently delivers top-notch leads. Looking forward to next year!

- Nataraju Upputuri, N Teck Systems

“

In 2023, Nx Audio unveiled 20+ new products. PALM's excellent organization and high footfall provided valuable in-person customer insights and positive responses. PALM's exponential growth in sync with the industry is encouraging. Anticipating further advancements in 2024!

- Manoj Motwani, Narain Audio and Lighting

“

We were pleasantly surprised by the diverse Pro AV market presence. A rewarding experience showcasing latest successful products. PALM provides a prime platform to engage with consultants, integrators, and clients in the Pro AV industry.

- Mohammed Haaris, Nvincy Solutions

“

PALM Expo 2023 has set a bechmark in Trade Fairs, featuring an impressive array of manufacturers and importers as exhibitors. The remarkable turnout of trade professionals this year is astounding. We look forward to PALM Expo's continued growth and success in the coming years.

- Vinod Jain, Octune

“

Participating in AV-ICN Expo 2023 was truly remarkable. The extensive exposure gained from numerous attendees and visitors was invaluable. Kudos to the event organizers for a well-structured, categorized space that facilitated seamless connections with stakeholders. Excited for the next edition!

- Vijay Sharma, Optoma India

“

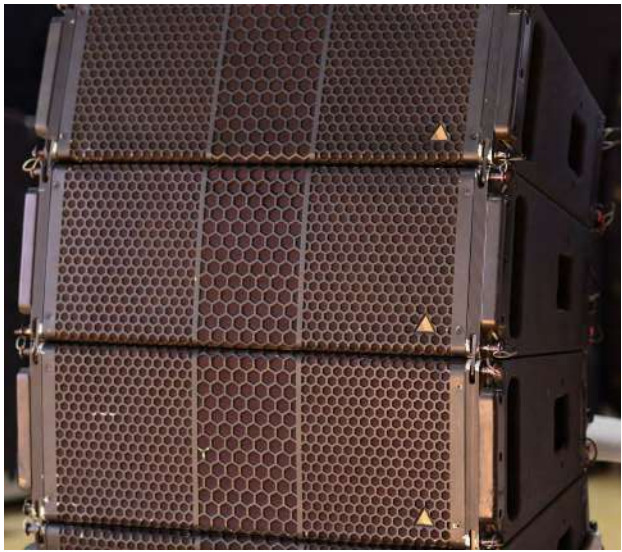

The experience has been pretty good, and the response compared to last year has been amazing.

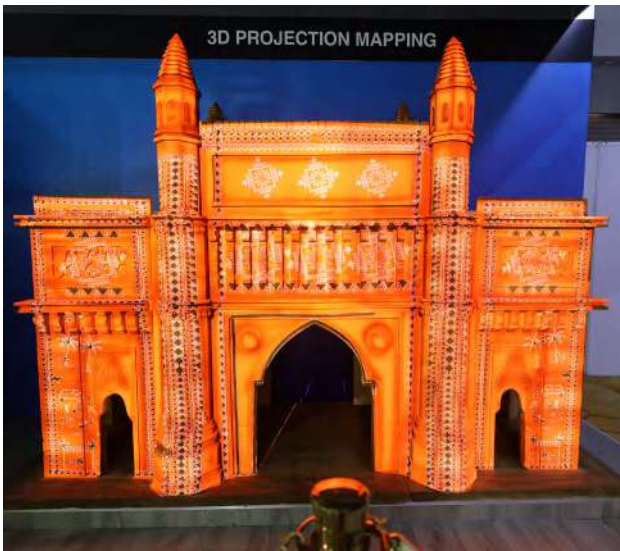

- Rahul Gada, SEPL Visual Solutions - Absen

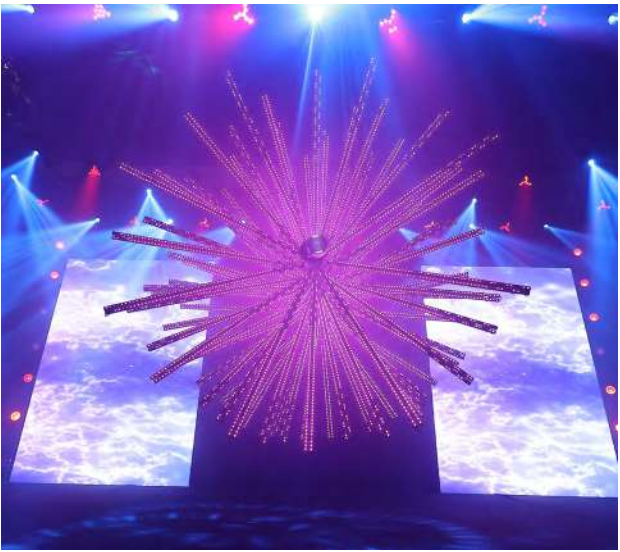

“

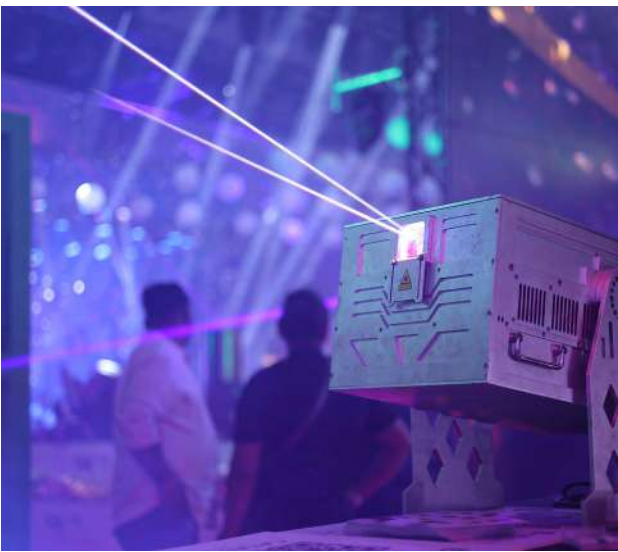

PALM Expo continues to amaze, providing an engaging platform for customers to explore and learn about our products. Impressed once again!

- Karan Nagpal, Sonotone Audio

IMPARTING CUTTING-EDGE SOLUTIONS TO AUDIO ENGINEERING & LIGHTING FRATERNITY

“Each year, over three days the PALM Conference organises a diversity of presentations and discussions which demonstrate the central and crucial role played by pro audio and lighting manufacturers in the development of new, innovative technology and solutions. Distinguished Speakers offer insight into smart industry trends, address timely topics of importance, provide understanding of cutting-edge research, share acquired knowledge and connect the industry to business opportunities.

The PALM Conference 2023 continued to draw the next generation of pro audio and lighting professionals and welcomed a large fraternity of engineering talent which included sound engineers, systems engineers, and lighting engineers. A broad segment of engaged pro audio and lighting customers and professionals from the events and rental industries, recording studios, hospitality and other markets were attracted by insightful new content exploring rich session tracks which delved into diverse range of topics like **Integrating Invisible Sound Into Aesthetic Spaces, Artificial Intelligence And Machine Learning For Audio Engineers, Dynamics Of FOH, Insights into The World Of A Lighting Designer, Deploying Immersive Audio In Live Sound, Future Of Live Sound In Big Ticket Events**, and many more.”

palm **LIVE** **ARENA**

One of the most highlighted features, the PALM Live Arena will enter in its 12th year. The Live Arena is a plethora of technology on stage and talent performances, creating an engaging event with 3 days of demo of latest stage gears (sound reinforcement, stage mixing and monitoring), FOH consoles and recording state-of-the-art studio equipment. This experience provides a unique, best-in-the-world showcase and tribute to the pro audio & lighting industry.

Lighting

DESIGN SHOWCASE

Lighting special effects and lasers offer tantalising choreography and challenge in innovative new products in creative design. PALM is the ultimate source for latest lighting product and Lighting Design Showcase actually embodies new innovation and product in a masterly design and intelligent choreography each year in a built-up display for lighting engineers to have a touch and feel experience.

WITNESS THE FUSION OF
ART & MUSIC

palm DEMOQUBE

Demo Qube is a square sound-proofed acoustic space for high-decibel sound reinforcement systems to give a demo for stage sound solutions. PALM is the ultimate destination for stage sound solutions attracting mega live performance sound systems rentals to source their next investment in new speaker technology.

Demo Qube is that perfect concept evolved at India's greatest pro audio show.

For booking a DemoQube, contact:

Ramesh Chetwani | Mobile: +91 9311378565 | Email: ramesh.chetwani@hyve.group

OPEN AIR
LINE ARRAY
DEMO

Large venue long throw loudspeaker technology for stage install is the key for system designers and a comparative check on sound quality is a delivery unique to PALM Line Array demo that is witnessed by pro rental companies who have the knowledge quotient and inventory to handle sound for the biggest acts touring worldwide. The defining brands with this product profile participate in PALM's Open Line Array demo.

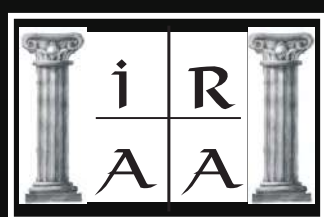

PALM SOUND & LIGHT AWARDS

Innovation, product design, application, solution and then excellence in quality and affordability in price-PALM is the voice of the pro audio and lighting industry and the market, and professionals view the PSL Awards from PALM expo and media as true recognition of effort and contribution to India's high aspirations in sound and light sector.

WINNERS ARE

indian
RECORDING
ARTS ACADEMY
AWARDS

Recording is an art! Recording defines lyrics and composition, musicians, and singers, holistically into music. IRAA represents the entire body of professional sound recording engineers, for music recording and soundtrack, dialogue and background, exploring the extent and depth of recording. The 16th IRAA nominations will be assessed by august Jury members who will ensure the level of assessment is sincere and honest with focus on technical excellence; Jury, driven with an obsession by sound engineers for sound engineers. IRAA is the final word in recognition of excellence.

LIVE RIGGING WORKSHOP

Sound and light need trussing and rigging. The bones of the beauty of sound and light. PALM delivers the whole body of science in sound and light, the technique and expertise in putting on the show that doesn't fail. We provide technicians and designers the strength of the truss and proper method of rigging at demos by experts-only at PALM.

Audio and Display communication and networking are challenging. Integration for perfect sound and visual involves knowledge of acoustics and video, Internet protocol streaming. Networking and interactive modalities means ProAV and such excellence in projects is what the PALM Project Gallery is. Intention is to lead the industry showcasing achievement that is exemplary.

MARKETING OPPORTUNITIES

With the aim to help your brand reach the right target audience & meet your business needs, even before you reach the show floor, PALM Expo puts forth an extensive marketing outreach through multiple mediums.

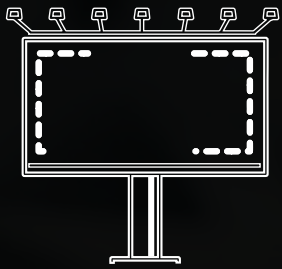

DIGITAL MARKETING

PALM Expo garners the use of Online Campaigning and strategizes its digital content. We grow our presence with a far-reaching Digital Campaign, having a targeted & specific audience reach with promotional activities across social media and digital mediums. Garnering higher reach and awareness about the expo through national and international affiliations.

SHOW INVITES

Special printed invites are sent to Industry associations and Market drivers. Invitation cards are also sent out to Exhibitors and Media Partners to invite their key customers, thus bringing quality trade visitors to the show.

OUTDOOR CAMPAIGN

PALM carries out an extensive outdoor publicity campaign utilising innovative and high reach and visibility mediums, thus targeting the right audience through hoardings, bus back branding, retail store branding, and POS branding among the few promotional mediums.

ASSOCIATION SUPPORT

PALM Expo partners with leading industry associations across the country, to help increase the growth of the industry, and increase knowledge and awareness about various developments. Invitations are sent out to association members to participate at the exhibition as well as to be a part of the knowledge sharing sessions.

INDUSTRY MAGAZINES

PALM reaches out to the industry through all the major magazines in India and overseas. The expo drives an extensive annual marketing campaign with each of the partner with innovative and large use of the editorial and advertorial opportunities, both, online and offline.

EMAIL CAMPAIGN

Regular industry and show updates are the essence of growth. PALM ensures a far-reaching e-mail campaign which is programmed to keep exhibitors and visitors updated about every aspect of the expo and the growing industry, thus generating interest & registrations.

SMS & WHATSAPP CAMPAIGN

Reaching out to the audience and providing them with regular updates about PALM Expo is what we aim to achieve, in turn, helping our patrons, not to miss the opportunity of generating the right business.

PR & MAINLINE ADVERTISING

A huge PR reach with an extensive coverage across media platforms, and advertising in major newspapers across the country, helps push the visibility and grow the goodwill of the expo, in turn helping garner higher and better response from the audience.
