AV-ICN EXPO

AV INTEGRATION COMMUNICATION NETWORKING EXPO

25 - 27.05.2023
BOMBAY EXHIBITION CENTRE,
GOREGAON (E), MUMBAI, INDIA

STAGE SOUND LIGHTING ENTERTAINMENT TECHNOLOGY EXPO

DESTINATION FOR PROFESSIONALS

PALM was created in response to the need of professionals in audio industry in India to have an expo dedicated to pro audio, exhibiting latest equipment and technology from major brands globally. The motivation was the professional's needs to be on par with the global trend in recording and post-production studios.

PALM Expo is the destination of 25,000 professionals, over three days each year, who visit from across India to drive their professional and business future. PALM's mantra is 'professional to the core'.

The attendees at PALM represent the highest level of influential professionals who are key decision-makers, whom the industry follows in adopting brand and product. It is the reason why the world's top brands have a consistent presence at PALM, displaying and demonstrating their latest innovation.

HIGHLY DEFINED EXHIBIT DISPLAY

PALM's well-defined Halls of Pro Audio, Lighting and Pro AV allow your product category to be located preferably, attracting the correct buyer.

There are three dedicated halls with 29,000 sqm of exhibit area on pro audio, lighting, pro AV displaying over 500 brands and thousands of products incorporating every application and engineering.

PROFESSIONAL BY CHOICE

At PALM we “talk” the future of business in India on a professional level delivering the latest innovation in global pro audio technology. The PALM is the largest annual gathering of the Pro Audio, Lighting, and AV industry to launch the latest pro product range - Professional Specs, Professional Standards is the key at PALM.

The PALM Conference over three days offers a seminar program for intensive product presentation and boasts of industry leaders as key speakers on important topics providing future direction to industry.

Trade and actual user

The professional sound, professional display, professional lighting and integration market of importers, distributors, dealers and actual users congregate in Mumbai at the Bombay Exhibition Centre to witness the largest display of product range from top global brands, sourcing millions of dollars inventory for distribution and rental.

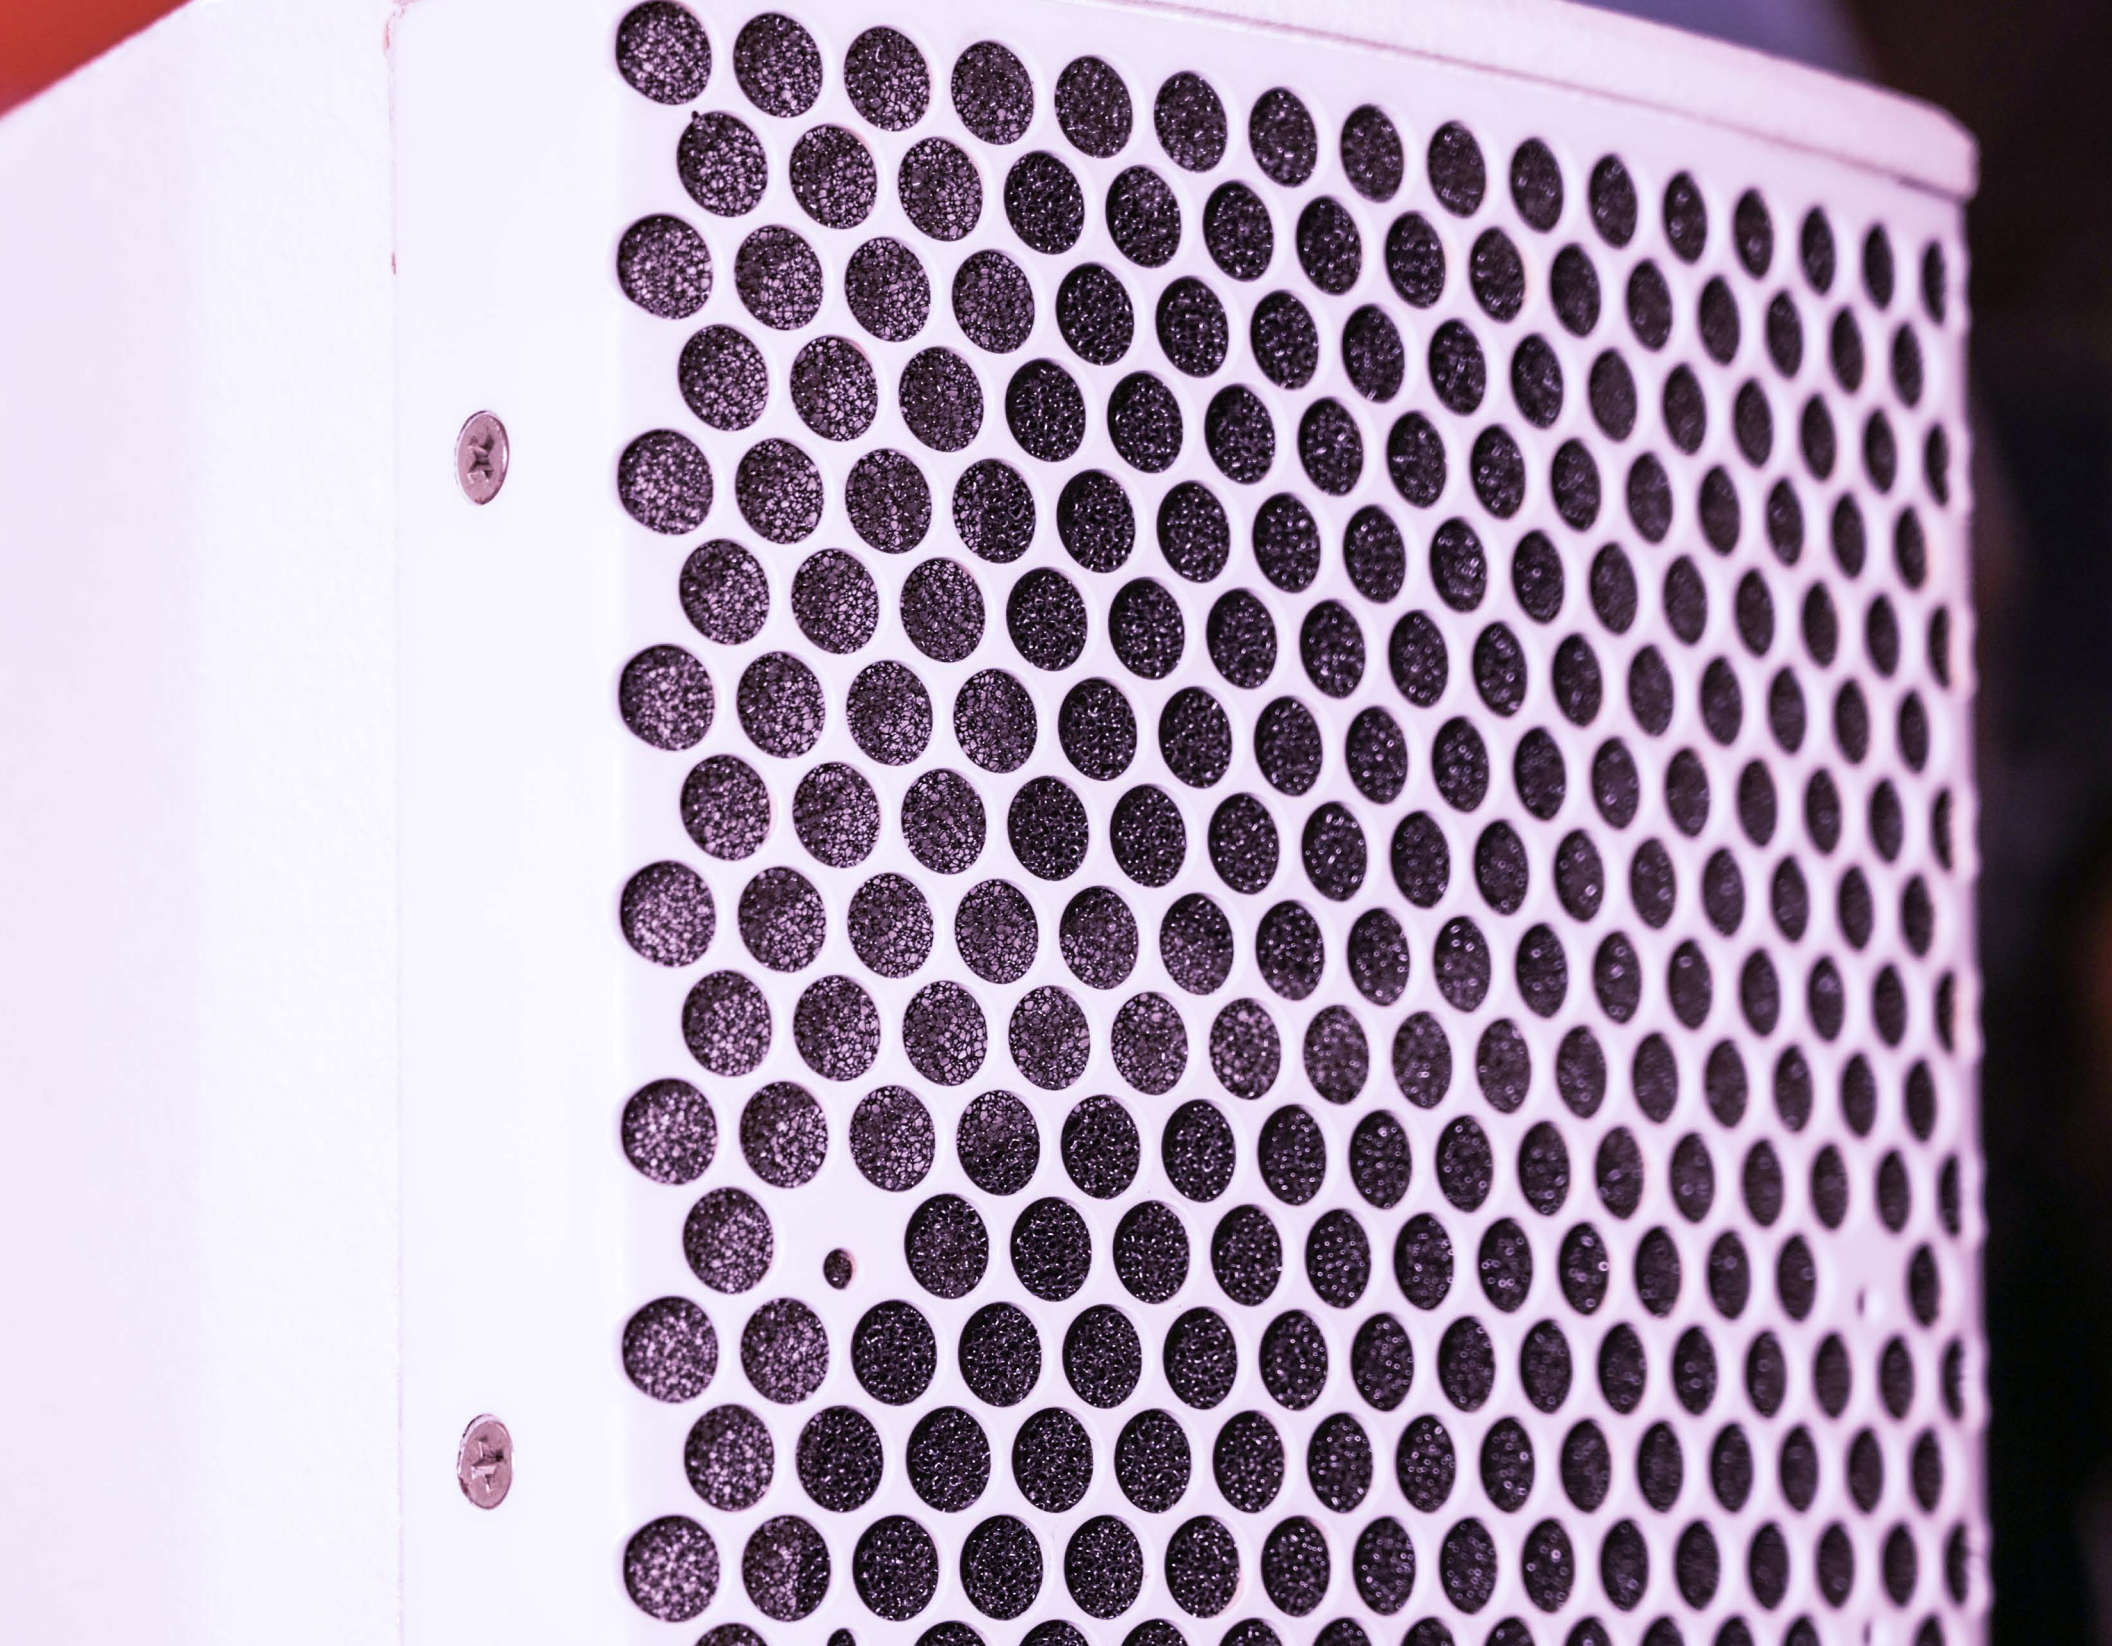

OFFERING TOTAL SOLUTIONS DELIVERING BUSINESS

PALM offers total solutions and delivers business. Indian market is growing exponentially, with investment in video display, install sound, recording sound, rental sound, stage sound, surround sound, soundtrack, post production and music production.

Indian market has proved beyond doubt the affordability and consumption of the marketplace for the highest quality price paradigm. PALM is the destination to expand your distribution and evolve your business to a burgeoning empowered audience who attend PALM as buyers. PALM represents growth and expansion of markets.

PALM expo offers options for publicity and promotion at the expo, also eponymous PALM Technology + AV-ICN magazines and websites, plus in digital and print media, to build critical market for your products.

Meeting partners of Clay Paky whom we personally know for more than 25 years was very exciting and emotional too. Certainly, market is improving in terms of shows, events, more International events have started coming to India.

- Alberico D'Amato, CLAY PAKY S.p.A.

Great to be here & fantastic to see the footfalls, industry presence-meeting all partners, end users & HARMAN live arena showcasing the artists. It's been a fantastic experience for HARMAN showcasing our brand-new products launch. It's been a great success. We'll be back next year with a bigger presence.

- G Amar Subash, Harman Professional Solutions

PALM EXPO 2022 definitely attracted integrators seeking solutions in 3D mapping, projection and lighting for digital signage, monuments, entertainment events, we are indeed extremely satisfied in having met our key objectives.

- Davinder Wadhwa, Modern Stage Service

It was a very nice show. We had more than 4,000 people visiting us at the booth. Almost more than 3,000 cards & catalogues were gone. Nice and best Expo. Continuing same support for the next expo and years to go.

- Hemal Bhatt, Hemona Electroacoustics Pvt. Ltd.

This is our 15th year at PALM, showcasing our latest products. Country's premium show where you can meet all the customers. Footfall has been wonderful, and we are extremely satisfied with the response. Great potential for this show to grow. I wish PALM all the best and we should be back in 2023.

- Eshdeep Bhasin, LBT Electronics Pvt. Ltd.

It's good to be back at PALM. It's a successful show and I think it's been better than ever. We've had a busier booth than always. I think it's crazy, we have had quite a few products launched, whole new set of visitors coming, and we hope to cash in.

- Jeff Mandot, Vardhaman Megatech Pvt. Ltd.

PALM 2022! we couldn't expect anything better than this; lot of quality-visitors, as for MA it was the best PALM ever; in terms of new contacts and orders.

- Franco Zaghini, MA Lighting International GmbH

Footfall has been great. It has been in line with our expectation and what was there in 2019. PALM Expo is great & it's the only platform in India where we get to interact with so many customers together. Professional and those not only living in the city but also living in the interior villages as well.

- Karan Nagpal, Sonotone Audio LLP

It's been wonderful coming to PALM. We had a great time at this amazing, healthy & professional environment. We will certainly come back next year.

- Gagan Bajaj, Jia Lighting & Audio Equipments Co.

We are extremely pleased with the participation that has helped us grow the brand. Footfall was very high & we met a whole new range of customers whom we could connect. Coordination from PALM team was fabulous. PALM plays a very important role in this ever-growing Industry.

- Luv Malik, Luxury Personified LLP

We've worked with PALM since 2001. For a first show in 3 years, expo was well organized, which made it easier as an exhibitor to focus. Footfall was higher than expected. Overall, it was good to see the Indian market steadily recovering & the experience with the PALM team was very positive. Kudos to Ramesh and his team!

- Manoj Motwani, Narain Audio & Lighting LLP

SUCCESS STORIES

We are here for multiple AV brands. Have displayed a lot of technologies & products this time & have received very good response. It's an established & very important show for any distributor/OEM & it's an honor for any of those to come & participate. It's a great place to network & regain lost contacts. We look forward to participating again.

- Mayank Gaurav, Alphatec Audio Video Pvt. Ltd.

Attending PALM is always unique. You get to meet the industry leaders, see the best of things around you- innovations, technically & otherwise. With EEMA, the technical aspect training is going to be a focus in the future. I do hope we can come to many more such sessions & learn.

- Roshan Abbas,
Event & Entertainment Management Association (EEMA)

It was a refreshing experience to see such an enthusiastic crowd. Businesses picked up from the word go with the starting of the expo. I congratulate PALM Expo for beautifully organizing the event. We look forward for the continued growth of the AV industry in near future.

- Nawal Agarwal, Beta3

We introduced many new products at PALM 2022. There is also a move to make more & more products with the 'Atmanirbhar concept'. We have now introduced the Indian design and engineered audio systems. Can't wait to come back next year.

- Sandeep Ahuja, Ahuja Radios

PALM Expo provides a platform with multiple opportunities to meet Industry experts, musicians, new players and stakeholders as well as to showcase the latest audio solutions.

- Neeraj Chandra, Sun Infonet Pvt. Ltd.

I was presenting a session at PALM focusing on immersive audio for music and I hope it was very helpful for the attendees as there was a lot of footfall. Lot of active inquiry & demos & many questions from people came in. It was a wonderful session & I thank everyone organizing PALM.

- Sreejesh Nair, Avid Technology

I have seen PALM transform to a fantastic conglomeration- a convergence of technology of sound light and video. I thank organizers of PALM and I thank Anil Chopra. It's a wonderful team for giving us this opportunity to reunite with the AV family and the PALM community. Congratulations on great conference sessions.

- Prashant Govindan, Generation AV India Pvt. Ltd.

We were excited to be here. We received a huge response. On the products side, we were displaying a lot of new products for the first time in PALM in addition to a series for video segment & range for live performance segment. In all it was a great experience.

- Vipin Pungalua, Sennheiser India

We are so overwhelmed by the response in our booth. It was a milestone year for us. For the first time in India, we have introduced many new brands and products. Very productive, focused attendees. Good show.

- Rajan Gupta, Hi-Tech Audio & Image

I think PALM Expo is a great melting point for people who come to learn new products, network, study new technology, interact with dealer, distributors, manufacturers & also to meet friends and colleagues. This is the show that everybody comes to. My best wishes are always with PALM.

- Warren D'souza, SOUND.COM

PALM has been a remarkable show with a fabulous & overwhelming turn out. I think nobody expected this kind of turnout at PALM. And I am glad we are here. We look forward to PALM 2023.

- Rasesh Parekh, Integrated Entertainment Solutions

Amazing show. We see a lot of footfall. We have been here for 10-12 years now. This is one of the best shows. We introduced some new products which were really appreciated by the visitors. I felt great being here.

- Yogesh Mehndiratta, Sound Solutions

VISITOR PROFILE

PALM welcomes 23,000+ unique trade visitors during the three days of the show. The show each year identifies the potential of the industry by bridging the interest, expertise & innovations that the sound, light & AV technology has to offer. The well appreciated professional environment and a strict no-sound policy by exhibitors & visitors indicates the international business atmosphere of PALM Expo, hence making it a must attend sourcing & networking platform.

LIVE ARENA

One of the most highlighted features, the PALM Live Arena will enter in its 12th year. The Live Arena is a plethora of technology on stage and talent performances, creating an engaging event with 3 days of demo of latest stage gears (sound reinforcement, stage mixing and monitoring), FOH consoles and recording state-of-the-art studio equipment. This experience provides a unique, best-in-the-world showcase and tribute to the pro audio & lighting industry.

Lighting special effects and lasers offer tantalising choreography and challenge in innovative new products in creative design. PALM is the ultimate source for latest lighting product and Lighting Design Showcase actually embodies new innovation and product in a masterly design and intelligent choreography each year in a built-up display for lighting engineers to have a touch and feel experience.

LIGHTING

DESIGN SHOWCASE

DEMO QUBE

Demo Qube is a square sound-proofed acoustic space for high-decibel sound reinforcement systems to give a demo for stage sound solutions. PALM is the ultimate destination for stage sound solutions attracting mega live performance sound systems rentals to source their next investment in new speaker technology. Demo Qube is that perfect concept evolved at India's greatest pro audio show.

palm

OPEN AIR LINE ARRAY

DEMO

Large venue long throw loudspeaker technology for stage install is the key for system designers and a comparative check on sound quality is a delivery unique to PALM Line Array demo that is witnessed by pro rental companies who have the knowledge quotient and inventory to handle sound for the biggest acts touring worldwide. The defining brands with this product profile participate in PALM's Open Line Array demo.

11th edition **PALM SOUND & LIGHT AWARDS**

I'm happy to be a regular part of IRAA, which has many people here who are so close to my heart. Sound Engineering is the most under thanked job. It is the engineer who can make a song sound good or bad so it's very important to respect our engineers. I'm very happy that their contribution is being acknowledged and appreciated by IRAA.

— Sonu Nigam

16th edition

INDIAN
RECORDING
ARTS ACADEMY
AWARDS

Recording is an art! Recording defines lyrics and composition, musicians and singers, holistically into music. IRAA represents the entire body of professional sound recording engineers, for music recording and soundtrack, dialogue and background, exploring the extent and depth of recording. The 16th IRAA nominations will be assessed by august Jury members who will ensure the level of assessment is sincere and honest with focus on technical excellence; Jury, driven with an obsession by sound engineers for sound engineers. IRAA is the final word in recognition of excellence.

**LIVE RIGGING
WORKSHOP**

Sound and light need trussing and rigging. The bones of the beauty of sound and light. PALM delivers the whole body of science in sound and light, the technique and expertise in putting on the show that doesn't fail. We provide technicians and designers the strength of the truss and proper method of rigging at demos by experts-only at PALM.

palm PROJECT GALLERY

Audio and Display communication and networking are challenging. Integration for perfect sound and visual involves knowledge of acoustics and video, Internet protocol streaming. Networking and interactive modalities means ProAV and such excellence in Projects is what the PALM Project Gallery is. Intention is to lead the industry showcasing achievement that is exemplary.

MARKETING OPPORTUNITIES

With the aim to help your brand reach the right target audience & meet your business needs, even before you reach the show floor, PALM Expo puts forth an extensive marketing outreach through multiple mediums.

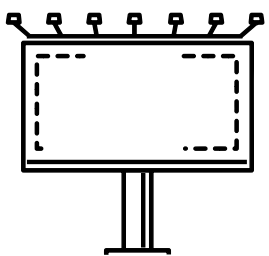

DIGITAL MARKETING

PALM Expo garners the use of Online Campaigning and strategizes its digital content. We grow our presence with a far-reaching Digital Campaign, having a targeted & specific audience reach with promotional activities across social media and digital mediums. Garnering higher reach and awareness about the expo through national and international affiliations.

SHOW INVITES

Special printed invites are sent to Industry associations and Market drivers. Invitation cards are also sent out to Exhibitors and Media Partners to invite their key customers, thus bringing quality trade visitors to the show.

OUTDOOR CAMPAIGN

PALM carries out an extensive outdoor publicity campaign utilising innovative and high reach and visibility mediums thus targeting the right audience through hoardings, bus back branding, retail store branding, POS branding among the few promotional mediums.

ASSOCIATION SUPPORT

PALM Expo partners with leading industry associations across the country, to help increase the growth of the industry, and, increase knowledge and awareness about various developments. Invitations are sent out to association members to participate at the exhibition as well as to be a part of the knowledge sharing sessions.

INDUSTRY MAGAZINES

PALM reaches out to the industry through all the major magazines in India and overseas. The expo drives an extensive annual marketing campaign with each of the partner with innovative and large use of the editorial and advertorial opportunities, both, online and offline.

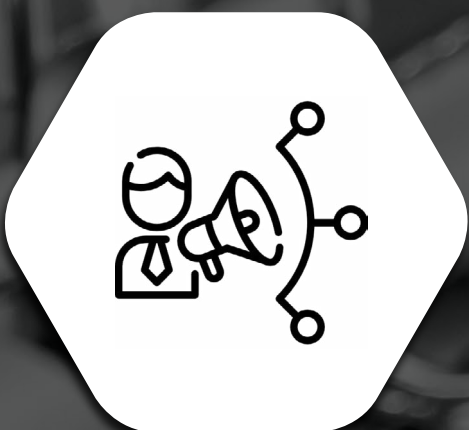

EMAIL CAMPAIGN

Regular industry and show updates are the essence of growth. PALM ensures a far-reaching e-mail campaign which is programmed to keep exhibitors and visitors updated about every aspect of the expo and the growing industry, thus generating interest & registrations.

SMS & WHATSAPP CAMPAIGN

Reaching out to the audience and providing them with regular updates about PALM Expo is what we aim to achieve, in turn, helping our patrons, not to miss the opportunity of generating the right business.

PR & MAINLINE ADVERTISING

A huge PR reach with an extensive coverage across media platforms, and advertising in major News Papers across the country, helps push the visibility and grow the goodwill of the expo, in turn helping garner higher and better response from the audience.
